PROSPECTUS

ADMISSION OPEN FOR
THE ACADEMIC YEAR 2025-2026

B.Ed. programmes 17 years of Educational Leadership

Our College...

PSR College of Education is one among the best educational institutions in Tamilnadu founded by the illustrious sons of P.S. Ramasamy Naidu. It was established in the year 2007 with the noble mission of promoting education in backward area of Virudhunagar District. PSR institutions are committed to scripting a unique chapter of excellence in education and research.

The college is run by P.S. Ramasamy Telugu Minority Educational and Charitable Trust, Sivakasi and administered by Managing Trustee. His valuable service in providing quality higher education to the backward rural area buttresses the social cause of running these institutions. The girl's enrolment in PSR group of Institutions for various professional and technical courses evinces our high order of discipline and conducive environment prevailing in the campus.

B.Ed. - Programme Learning Outcomes

Student teachers will exhibit comprehension of the physical, intellectual, social, emotional, and moral development of learners, facilitating the organization of learning experiences and fostering a conducive learning environment for school students.

They will proficiently apply contemporary educational insights to enhance student learning.

Student teachers will serve as exemplars in integrating technology into the teaching-learning process.

They will leverage their understanding of how gender intersects with education to establish gender-responsive classrooms.

Through an interdisciplinary approach to knowledge, student teachers will demonstrate a profound grasp of various disciplines.

They will orchestrate meaningful learning experiences for students by seamlessly integrating content knowledge, pedagogy, and learner needs, experimenting with diverse instructional and assessment methodologies.

Demonstrating a commitment to ethical and equitable conduct, student teachers will cultivate an environment conducive to student learning.

They will embrace inclusive teaching practices, ensuring that all students, regardless of gender, caste, economic status, or special needs, have equal opportunities to learn.

In their teaching, professional collaborations, and interactions with students, student teachers will employ effective and appropriate language.

They will engage in reflective practices regarding their pedagogical approaches, continuously renewing their knowledge and skills through professional development endeavours. School Internship

School internship is designed for the development of a broad repertoire of perspectives, professional capabilities, teacher sensibilities and skills. Student teachers shall be equipped to cater to the diverse needs of learners in schools. Students are to be actively engaged in teaching for 16 weeks in the second year of the course. They shall be engaged at two levels namely upper primary classes (Class VI VIII) and secondary (Class IX-X) or senior secondary (Class XI-XII) for 16 weeks. Student teachers shall be provided opportunities to teach in schools with systematic supervisory support and feedback from faculty.

Course of Study
